

**Coordination
Committee
Meeting
20/08**

Agenda:

- Basin demography report
- Deliverables for Quarter 3 and 4
- Sharing digital data of Quarter 1 (shapefiles, excel files etc)
- Pragyambu Translation

Content matrix for basin Demography report

Sl. No.	Contents
1	Basin overview
2	Administrative delineation at various levels within the basin
2.1	Maps showing states, districts, blocks, tehsils, panchayats, villages
2.2	Map showing Urban Local Bodies (ULBs)
3	Distribution of Population
3.1	Total Population
3.2	Population Distribution
3.3	Population Growth Trends
3.4	Population Density
4	Demographic Characteristics
4.1	Age Distribution
4.2	Sex Distribution
4.3	Household Statistics
5	Socio-Economic Characteristics
5.1	Population Health
	Health indicators like Mortality rate, life expectancy etc
5.2	Education Levels
	Literacy rate
5.3	Migration
5.4	Employment and Occupation
	Total Working Population
	Total Work Force Participation Ratio
	Income Levels (per capita income, GSDP)
5.5	Map showing Boundaries of Notified and Non-notified Slums
6	Future Projections and Scenarios
7	Findings and Summary

Takeaway points:

- All centres are requested to upload digital data (TIFF images, shapefiles etc) of Quarter 1 in the respective folders using attached google drive link.

https://drive.google.com/drive/folders/1RLEDR1kQdMDJxs4uavtTqn7CffllxXDb?usp=drive_link

- The River Atlas task group has been formed (refer slide 6), and the first meeting is scheduled for Monday, 26th August 2024. All centers are requested to present an update on their River Atlas work during this meeting.
- All institutes are requested to select and share the name of a representative for the District River Management Plan (DRMP) task group to study about 330-35 plan for wastewater management.

Takeaway points: cont...

- The content matrix for Basin demography report is attached (Slide 3) for reference.
- All centers are requested to maintain a metadata sheet for the data collected, which should include details such as type, source, location, duration, frequency, and format of the data. Please refer to the MoA for the exact format of the metadata sheet. If there are any questions or need further clarification, please feel free to reach out.
- Share the completed editions of translated Pragyambu newsletter.
- The 9th India Water Impact Summit is scheduled for 4-6 December at Bharat Mandapam, New Delhi. There will be CAMP project review meeting preceding and following the IWIS. Please adjust your calendars accordingly.
