CAMP Meeting 14/02

Agenda:

- Status of ongoing Tasks
- General Doubts and Discussions

Takeaway Points:

- Progress of ongoing tasks was presented by all centres.
- Dr. Tare recommended a cross-review process between centers to ensure the quality of content of reports.
 Under this approach, one center will be responsible for a report and will oversee its review.
- cMahanadi will be incharge of following deliverables:
 - Learnings from the work done in other Indian basins
 - Learnings from the work done in International basins
 - Legal constraints such as inter-state agreements
